

Our **6th Annual WFWIA Golf Day** was played on Monday 28th November 2022 at RACV Torquay Golf Club, **raising over \$6,000** for the welfare of our students and their families from the Kibera slum in Nairobi. We also found a sponsor for 1 of our students which will enable them to attend school in 2023. They will be forever grateful for this opportunity.

We sincerely thank all the golfers who played in a packed field for their incredible support and the huge generosity of our many sponsors. It makes the effort of organising this event very worthwhile and could not be done without this support.

Our sponsors are always so vital to run this event and especially our five major sponsors.

- **Roy Morris Lawyers** who offer cost-effective professional legal services in Torquay
- **Helloworld Drysdale** who specialise in African travel
- **MCG Signs** who offer signage and printing in Torquay
- **Joe Posterino Accounting** who offer accounting services in Geelong
- **McCartney Real Estate** who offer advice on selling or buying on the Bellarine peninsula

Mary Campbell, the **Chair of Women for Women in Africa** spoke on the day, highlighting what WFWIA does, our goals and aspirations, and the many projects currently underway. She certainly captured everyone's attention with her lively presentation.

On the day we had wonderful helpers, so thank you to Jeanette, Marilyn, Joye, Robyn, Sue & Anne who dressed the clubhouse so magnificently and helped run the 3rd hole for us. **Mandy Buckley**, our golf organiser and MC, worked tirelessly for months on this day and yet again she made it a great day for everyone who participated.

Once again, a big thank you to everyone for participating in such a wonderful day for a truly great cause.

See you again next year!
